

I _____ understand and acknowledge that swim lessons are booked in 8 - 30 minute sessions. It shows at registration checkout that 9 classes are scheduled. We permit "1" makeup lesson for all private lesson classes. If your child is sick, your family has a vacation, or any other circumstance that occurs during your booked lessons, that 9th class is the **ONLY** available makeup opportunity in our program. Our instructors are **NOT** responsible for any makeups beyond the 9th reserved class that occurs on the same class day following the end of your swimmers 8-30 minute session. If you complete all 8 of the scheduled lessons **WITHOUT** missing a class, you have the option **to be billed \$50** for the additional lesson as a stand alone class. If we experience weather that permits swim lessons from taking place or your instructor encounters a personal emergency or sickness that prevents a class from taking place, they reserve the right to schedule a makeup lesson with you on a day and time that pool space is available and works for your family.

I _____ understand and acknowledge that no additional swim lessons will be offered beyond the "1" permitted makeup for private lessons.

I _____ understand and acknowledge that no refunds or partial refunds will be given for any missed classes.

I _____ understand and acknowledge that the only makeups offered will be in the event of inclement weather, pool chemical imbalances, or instructor emergencies/ sickness. These will take place at a time that pool space is available and at a time/day that are as close to your original lesson schedule as possible. Up to "2" options will be presented for your family to pick from.

I _____ understand and acknowledge that I can attend the 9th available class if my swimmer didn't miss any of the 8 original sessions but **WILL** be billed an additional \$50 to participate.
